MPG – AT A GLANCE

Our experienced teams combine professional expertise with unwavering dedication, meeting objectives and exceeding expectations. Over 80% of our turnover is a result of repeat clients, testament to our optimal service.

We serve the UK, Ireland and International markets from our head office in Central London and our overseas offices in Saudi Arabia, Abu Dhabi and Qatar. Current projects include offices, shopping centres, residential schemes, mixed use developments, business parks, data centres, educational buildings and leisure facilities.
